Peter Hall Lyttelton Distillery Co Ltd peter@lytteltondistillery.co.nz www.lytteltondistillery.co.nz +64(0)27-626-6528	Services to distillery owners in relation to employment and company law matters. My background is in law and for the last 20 years I have been advising and representing employers in relation to employment relations, performance and disciplinary issues and dispute resolution, preparation of employment agreements (and the increasingly complex area of fixed term employment), and resolution of employment disputes. Can also advise on and assist with company formations, constitutions, shareholder agreements and company administration. Also partnership agreements.
Helen Kraal helenkraal@xtra.co.nz	I have co-designed, owned / operated nine hospitality establishments within NZ, resulting in extensive knowledge of food and beverage systems, management and administration.
Anne Gigney/Marcel Thompson The Distillers Institute NZ info@thedistillersinstitute.co.nz Phone Marcel 0800 255 615 Anne +61 419 431 280	The Distillers Institute's mission is to help distillers in New Zealand and Australia to grow successful and sustainable businesses that are professional and provide tangible returns for their owners. NZ's Planning your Successful Distillery course provides a roadmap to help people to step through what's needed to concept, plan for, cost and establish their distillery and take them through the business planning, compliance, safety, branding, marketing, sales and distribution considerations needed to ensure a successful and scaleable business. The course has been custom built to meet the needs of the NZ distilling market and will provide an ideal foundation for any new business, or for distillers looking to professionalise, scale or develop an integrated business.
